Happy Birthday !!!!

Happy May Day-

I am sending all winter gear home, fingers crossed I haven't jinxed the weather !!!

As it starts to get warmer, we will be napping outside more regularly and be doing water play a lot, **please make sure your child has extra clothes here!! Also to check your child's extra clothes supply to see if they fit and are season appropriate.** Also please have coats for those chilly mornings outside!

Friday, May 10 is National Provider Appreciation Day. Provider Appreciation Day is an annual celebration on the Friday before Mother's Day that recognizes the work of child care providers, teachers and other educators of young children. Established in 1995 as a way to thank family child care and center-based providers, Provider Appreciation Day is now celebrated throughout the United States and around the world as a "thank you" to the people who educate, support and spend a tireless amount of time with young children.

I hope all the Mom's have a great Mother's Day!!
