Happy July and August!!

Sorry for the tardiness in the monthly newsletter, I am doing July and August together since we are half way through July !!

I believe everyone has extra clothes and a towel here for water play, Thank you!

We played play dough outside and that was a big hit!! Hoping to get our water pump going soon!!

Some new items we have tried for lunch include, lunch meat wraps with lettuce and cheese, BBQ meatballs and Nachos! We will try spaghetti (they all tell me they like it, but the last time I tried serving it, most cried!) Anyway, trying get their palate's used to different foods and textures :)

Upcoming changes: August 26 will bring Braxton leaving for kindergarten. Cameron will leave us in Sept. for kindergarten, Callen will return in September and Maebry will start 4k but will join us on Fridays, starting in September.

Finally Warren is fitting right in and the children LOVE him!!!
