# KIDS ARE US News

Dear Kids Are Us Families,

Happy Fall!!! Please check buckets for extra clothing, each child should have a **complete change of clothes that fit them, and for the right season.** Also please make sure your child has a coat/jacket, hat and **MITTENS** here, it is chilly in the morning when we go out. Mittens for now can be knit mittens, but when snow comes I prefer waterproof or nylon mittens, it is so much nicer for your child to play in the snow without wet, freezing hands, thank you!! Now is the time to also think about snowsuits and winter boots! Most families leave one set of winter gear here, but if you need to take them home every evening, remember they are required to be here each day in order for your child to participate in our daily outdoor activities, Thank you!

**October  
2025**

Reminder show and share is EVERY Thursday, have your child bring something from home to "show and share", thank you.

Reminder of our meal times Breakfast is at 830, lunch is at 1130ish and snack is at 3 unless the children wake earlier :)

**Our Halloween party will be on Friday 10/31/25 your child can come in their costume or bring it and I can put it on and bring a treat if they'd like!**

I am switching to a new program for all things Kids Are Us, it is called Playground and will be launching sometime in October! You will be able to pay me directly through this new program and daily reports will also come from this, I am excited to get it started!! I am using 3 different programs currently for billing/payments and daily reports :/ I will keep you updated as I am updated !!

\*\*\*\*\*Looking forward to Thanksgiving week, I'd like to know who will be here Wednesday 11/26, I know there is no school for many. Please let me know ASAP if your child will be absent that day, so I can plan, Thanks!

*With Children In Mind Always ~ Miss Tammy*
