What is up with this weather, winter, spring, winter, spring, come on, I am ready for warmth and sunny days!!

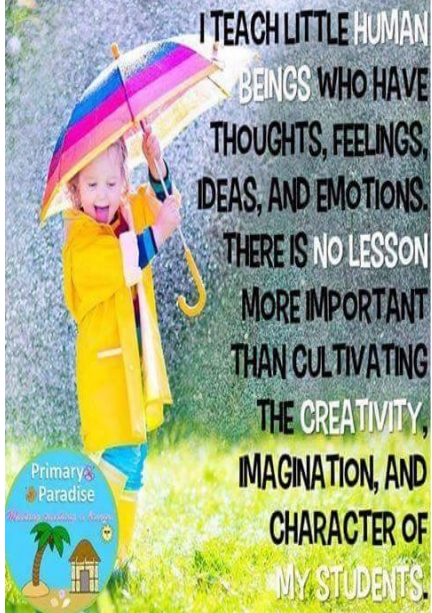

A few reminders, there may still be some chilly mornings, so hats, mittens and coats are still necessary to have here, I have extras but not enough for all. The fleece mittens that I prefer NOT to have for snow, are PERFECT for this time of year :)

I am in search of umbrellas that the children can use if it is raining out w/o storms, if anyone has some laying around that you'd like to donate, we'd appreciate it!!

I will provide this sunscreen, if you want something else, please provide :) Thank you

Summer schedule is as follows, Maebrly will be home with Mom and her brothers but may join us here and there. Aspen's brother Waylon will be joining us M-F starting June 3rd. Cameron and Rylee will be T-Th and an occasional Fri, Ethan, Mack, Braxton and Aspen will have their same schedules M-F :) Ethan will leave us at the end of August for Kindergarten :( Cameron and Braxton will be in 4K in the afternoon, hopefully. Maebrly will return M-F, end of August!
