Happy Summer!!

With summer here, please let me know as soon as possible when your child will NOT be attending, preferably a week in advance unless of course they are ill or it is an emergency. I know summer schedules get busy and you all have activities planned but I plan meals and grocery shop according to the schedule of your children and when that changes, say you do not bring your child for breakfast, it effects what I have bought for the week, sometimes resulting in me having to throw away fresh fruit and/or vegetables because I have bought too much and with grocery prices, I can not afford to do that!! Thank you for your help in this matter.

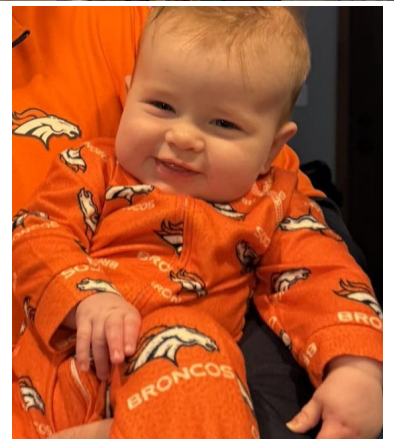

We will say bye to Maeby and Callen today, Callen will return in Sept. M - Th and Maeby will join us on Fridays starting in Sept.!!

We will be welcoming Warren, 6 mos. Old and Family, Mom, Jaime and Dad, Evan on Tuesday 6/12. WELCOME to the Kids Are Us family, we are happy you're here!!

REMINDER - We will have water play-almost daily of some sort, please make sure your child has **extra clothes here and a towel**. It is much easier to let the children play in their summer clothes and change those versus changing them all into swimsuits and back into their clothes! Thank you!

That's all for June !!!
